

Exploring the World of Science

Science Olympiad is a primarily American elementary, middle school, or high school team competition that requires knowledge of various science topics and engineering ability. Over 14,000 teams from 48 U.S. states and Canada compete each year. This year our school will compete in Laredo Regional Saturday, March 6th 2010 for a chance to qualify for the State Competition.

Schedule of Meeting Days and Times to Prepare for Each Event

Event	Name of the Teacher-Coach	Meeting Day and Time	Room #
Disease Detectives	Mrs. Turhan	Thursday 3:00-4:30	101

Elevated Bridge	Ms. Cox	Tuesday 3:00-4:30	124
Solar System	Mrs. Tunc	Thursday 3:00-4:30	131

The competition rules indicate that the maximum number of students that can participate per event per category (middle school and high school) are two. The coaches will be choosing the top 3 students that show the most interest, attendance to meetings and abilities to participate at the Laredo competition.

The fee to attend the event is \$50 which will cover transportation costs, hotel, dinner on arrival night, lunch and breakfast. If your child is participating in an event then a note with more detailed information will be sent home. For further questions please do not hesitate to contact Mrs. Claudia Lardizabal at clardizabal@harmonytx.org.
